Dear Dr. Clay,

As you are aware, we have re-invigorated the WHSRN-US Committee and have established a chair for the committee. Through conversations with you, it seems most appropriate that the chair of this committee represent the U.S. Shorebird Conservation Partnership on the WHSRN Council. Therefore, please accept our nomination of Dr, Robert Penner, who works for The Nature Conservancy in Kansas, as USSCP representative.

We realize Catherine Hickey has served in both the role of the WHSRN Council Chair and as the USSCP representative. We have valued her contribution to the USSCP and WHSRN and hope she can continue on the WHSRN Council in some capacity.

Sincerely,

Brian Smith, Chair
U.S. Shorebird Conservation Partnership
